

Healing ministry report - 2011

“Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord.” James 5: 14

Healing Ministry is for those who believe in the power of prayer, especially intercessory prayer. "Where two or three are gathered together I am in their midst" (Matthew 18:20). The healing ministry team met at the chapel during communion on most Sundays at the 9.30 am service. On days when people came for prayers the healing team listen to the heavy burden in their minds and lift up the burden to the Lord and pray for healing and wholeness. The healing team also lifts up the prayer requests of individuals and of St. Paul's community for various needs, especially as the community goes through a time of transition during the interim period and the search for a new rector. The ministry is thankful for the dedicated service that was offered by the following members: Emily Mc Kenney, Peggy Todd, Bess Wilson, Nancy Shore, Jane Dobbins
